REQUEST FOR PROPOSALS PEST CONTROL

TO ALL INTERESTED PARTIES:

The Bonita Springs Fire Control and Rescue District (the "District") hereby requests proposals from qualified individuals or companies for **exterminating and pest control services** for fire stations the District operates in the Bonita Springs area.

Interested proposers may obtain a packet of information specifying details and the selection process on the District's website at www.bonitafire.org or by contacting Administrative Coordinator Jessica DeWitt at the District's Headquarters.

All proposals should be sealed and submitted to District Headquarters, using the address listed below, with "Attention: Jessica DeWitt" before 10:00 AM, August 1, 2016. Any proposals received after this time will not be accepted under any circumstances. Late responses will be returned to the respondent unopened. Faxed or emailed responses will not be accepted.

The District reserves the right to reject all proposals in its discretion. The District also reserves the right to waive irregularities and technicalities and to advertise for additional proposals. Questions related to the proposal should be directed to Jessica DeWitt.

Bonita Springs Fire Control & Rescue District Headquarters at Station Four 27701 Bonita Grande Drive Bonita Springs, FL 34135 (239) 949-6200

- B. Specifications for Exterminating and Pest Control Services
 - 1. Scope of Services Required
 - a. Proposers should assume that the scope of services required is limited to treatment of the interior and exterior of Bonita Springs Fire Control & Rescue District's fire stations.
 - b. Proposers must also include a list of the rodents and insects that its services are designed to eliminate and should specify any insects that are not included in the scope.
 - 2. Chemical Spray
 - a. Odorless chemicals must be used in the interior of all buildings.
 - 3. Treatment Frequency
 - a. Each of the fire stations will require spraying once per month.
 - b. Each of the stations' bays will require fogging once a quarter for spider control (excludes Station 7).
 - c. Proposers must also assume that they will be required to re-spray the buildings at no additional charge should the monthly service be insufficient.
 - 4. Lawn Treatment

An alternate quote shall be submitted for lawn treatment. Service will include an every other month application of EPA approved chemicals for St. Augustine lawns, and shrubs. Goal is to control all insects and diseases that could cause damage to St. Augustine lawns, and shrubs. Fire ant control shall also be included.

The proposer may propose other tasks at their discretion.

C. Selection Process

- 1. All qualified proposals will be opened August 1, 2016 at 10:00 AM.
- 2. Qualified proposers will be ranked based on the criteria included in the general information and the overall cost.
- 3. All proposers will be notified of the District decision within 24 hours of selection.
- 4. The District may reject all proposals in its sole discretion.
- 5. If an agreement with the number one ranked proposer is unsuccessful, the Chief will attempt to negotiate with the second and then third ranked proposer.
- 6. If all negotiations fail, the District reserves the right to re-advertise for proposals.
